# The Jenny Craig Pavilion

## Ushering In A New Millenium For USD Athletics

### Opening Tip-Off - Fall, 2000

With a donation of \$7 million by Sid and Jenny Craig, the University of San Diego received the lead gift necessary to proceed with planning its much needed \$17 million Sports/Activities Center. The building design is near completion and the fund raising campaign to raise the balance required has begun.

The pavilion, which will be located at the eastern end of campus between Torero Stadium and Cunningham Baseball Field, will include a 5,000-seat gymnasium, coaches offices, fitness center and athletic training facilities, showers and locker rooms, concession stand, and reception room. The Monsignor I.B. Eagen Plaza off the Pavilion entry, will take advantage of the view across campus to the ocean. The USD Athletic Hall of Fame will also be housed in the facility.

"The Jenny Craig Pavilion is vital to the quality of life on campus," said Tom Iannacone, USD Director of Athletics. "It will have a positive and historical impact on many generations of students. It will also allow us to pursue championship venues for men's and women's basketball, and women's volleyball."

Other benefits the administration and coaches anticipate are the opportunity to attract television coverage of games, and to host West Coast Conference tournaments, USD tournaments and special games such as the Torero Tip-Off, held the last few years at the San Diego Sports Arena.

"This is one of the missing pieces to our puzzle," stated USD women's basketball coach Kathy Marpe. "We have academic integrity and a beautiful campus. Now we will have a facility that represents our campus well and increases our marketability."

Construction of the pavilion should be completed by the summer of 2000. For information regarding the Jenny Craig Pavilion, contact the USD Athletic Development Office at (619) 260-5917.

# Torero Season Preview

## Experienced Youth Movement Propels USD

After posting one of the biggest turnarounds in West Coast Conference history last season, the University of San Diego Toreros appear poised to challenge the conference elite in 1998-99. Although the Toreros only have two seniors on the roster, they return all five starters and eight letterwinners from last year's squad including an All-West Coast Conference backcourt tandem with first team selection junior, Susie Erpelding (San Diego, CA) and honorable mention choice, senior, Kari Ambrose (Bellingham, WA).

Senior forward, Maggie Dixon (North Hollywood, CA) led the Toreros in rebounding last year with 124 and along with Ambrose, will be counted upon to fill a leadership role on a Torero team composed of six underclassmen.

## Season of Optimism

Torero head coach Kathy Marpe is enthusiastic about the current edition of USD basketball - her 19th since coming to Alcalá Park.

"Last year left this team a little hungry. They have worked harder in the off-season than any group I have had in the last five years," said Marpe, who surpassed 200 USD victories

in 1997-98 (211), and is tantalizingly close to recording her 300th career victory.

## You May Fire When Ready

USD returns its top scoring threats from a year ago as current letterwinners led the team in scoring in 23 of the 27 outings in 1997-98. The Torero's top scorers are led by Erpelding (12.7 ppg), Ambrose (7.6 ppg) and junior forward, Jessica Gray (Redwood City, CA) (6.3 ppg).

## Success From the Outside In

Perimeter play appears to be a strength this season, but USD does not possess a great deal of depth in the post. Marpe plans to combat the potential shortcoming on the low block with a major strength of the Toreros - potent perimeter players.

"We plan to run a lot of single post sets with a four guard offense, which takes advantage of our outside shooters," Marpe said.

## Talented Newcomers Impact USD

The latest members of USD's basketball family are headlined by Melissa Glazebrook (Los Altos, CA) and Maria Perez-Barris (Barcelona, Spain; Solano College). Glazebrook is a 5-6 point guard who shattered the school assist record with 784 in her four year career at Mitty High School and averaged 6.7 points per game. Perez-Barris, a 6-0 forward transfer from Solano College scored 1,011 points (12.6), pulled down 624 rebounds (7.4) and set a new school record with 284 steals in her two-year career.

Other talented freshmen include Robyn Fortney (Rancho Bernardo, CA), Janeene Arendsen (Vista, CA) and Amy Roban (Las Vegas, NV). Fortney, a 5-9 forward averaged 12.9 ppg and 7.7 rpg as a four-year letterwinner at Rancho Bernardo High School. Arendson is a 5-7 shooting guard who averaged 15.7 points per game as a senior and led Rancho Buena Vista to the CIF Championship. Roban is a 5-9 guard who won USA Today All-American Honorable Mention accolades as a senior at Bishop Gorman HS.

## The Road Ahead

USD opens 1998-99 hosting UC Irvine, Nov. 14 in the USD Sports Center, and plays eight of 12 non-conference games on their home floor, including the USD Tournament Nov. 27-28. The field includes Yale, Illinois and Butler.

The West Coast Conference looks to be extremely competitive again in 1998-99, with defending champion Santa Clara picked to win the WCC, while Saint Mary's College was a narrow second in the Pre-Season Coaches Poll.

## Serving Notice: 1997-98 Season in Review

### Toreros Return to Winning Tradition

After an injury plagued 1996-97 campaign, where the Toreros stumbled to a 5-22 overall record, many teams may have overlooked the Toreros last season. As the old cliché reminds, "That's why you play the games."

### Rugged Schedule Builds Toughness

USD entered the season with a challenging non-conference schedule, featuring road games with Pac-10 power, UCLA, Long Beach State, and Sacramento State. The Toreros got a slow start out of the gate, entering the West Coast Conference schedule with a 5-8 record - matching their overall win total of the year before. Prior to league play, USD reeled off a three game winning streak - the Toreros longest since a nine game string in 1995-96.

### Moving On Up

Once WCC play began, USD showed the benefits of a tough pre-season schedule and defeated the University of San Francisco 64-49 - winning at War Memorial Gym for the first time since the 1992-93 season. It was USD's first WCC road win since 1995-96.

In week two of the WCC season, the Toreros collected their first two game sweep since 1995-96, downing Gonzaga and Portland in the USD Sports Center.

Week three saw a return engagement against the Pilots and Bulldogs. USD earned a split in the Northwest, losing to Portland in the Chiles Center, but defeating Gonzaga in The Kennel. After downing the Bulldogs, the Toreros won their next four games highlighted by completing season series sweeps of both Loyola Marymount and Pepperdine.

After sweeping the Lions and the eventual WCC runner-up Waves, the Toreros were tied for first place in the WCC with a shiny 8-2 league record.

But, some untimely injuries to key post personnel, added to offensive inconsistencies, which contributed to the Toreros losing their final four conference games.

### WCC Turnaround Highlights '98

With a final overall record of 13-14, and a West Coast Conference record of 8-6, the Toreros finished fifth in the WCC and posted one of the biggest single-season turnarounds in league history. After winning just one conference game (Gonzaga) in 1996-97, USD posted a seven game improvement in 1997-98.

### Appetites Whetted

USD, fresh off the successes of last season is poised to make further improvement this year as they look for a top-echelon finish in the West Coast Conference. All five starters, and four additional letter-winners from last year's squad return for Torero head coach Kathy Marpe - who was voted WCC Coach of the Year last season for the second time in her 18 year career at Alcalá Park.

Coach Marpe broke several milestones of her own in 1997-98 - surpassing 200 career wins at USD (211) and 80 WCC wins (83).

## Torero Head Coach Kathy Marpe 19th season

### The Secrets to Marpe's Success

Torero head coach Kathy Marpe begins her 26th year as a collegiate head coach and her 19th patrolling the sidelines for the University of San Diego. The changes she has witnessed in the game of women's basketball and the skills and athleticism of today's student-athletes, is nothing short of staggering.

Adapting to the changing environment is key to building a winning program. Success through change permeates Marpe's long and distinguished coaching career and, her 298 career victories attest to her ability to flourish in a changing environment. Despite the myriad of changes in women's college basketball and the ever-increasing skills of the student-athletes who play them, Marpe's success comes as a result of embracing - not resisting change.

### 1998 WCC Coach of the Year

Marpe's young Toreros made a radical change for the better in 1997-98 as the team rebounded from a rugged 5-22 finish in 1996-97 to place fifth in the West Coast Conference with an 8-6 WCC mark, 13-14 overall. The eight victory improvement was one of the biggest single season turnarounds in league history, and earned Marpe her second WCC Coach of the Year honor - also winning the award in 1993.

A veteran of the coaching profession for over two decades, Marpe has made changes to the Torero program to utilize the team's speed and athleticism. The past few seasons USD has found success by playing a full-court game which has strengthened their defensive effort. This season, Marpe will take advantage of a strong cast of perimeter players by featuring several single-post offensive sets.

### The WCC's "Dean"

As the "dean" of West Coast Conference coaches, Marpe possesses the necessary perspective to appreciate the radical changes in the league. During her tenure at Alcalá Park, Marpe has twice won WCC Coach of the Year honors. She shared the award in 1993 after leading the Toreros into the NCAA Tournament for the first and only time in school history - upsetting Santa Clara in the WCC Tournament Championship. Marpe won the award last season after leading her team to one of the largest single-season turnarounds in WCC history - an improvement of eight games.

### Excellence

Marpe is the active leader in victories with 211 at USD and ranks third among conference coaches in WCC wins (83). In 13 WCC seasons, Marpe has produced 13 All-WCC performers, 13 WCC All-Academic selections and has placed four players on the WCC All-Freshman teams.

## Prior To USD

Prior to arriving at USD, Marpe directed the University of New Mexico to seven seasons of success on and off the court. The Lobos were 51-30 in Marpe's last three seasons, having posted wins over two nationally-ranked teams in the same season. Playing in "The Pit", the UNM women drew over 1,000 a game with crowds reaching the 2,000-3,000 mark on occasion — attendance figures unheard of in the mid-70s. By the time she left the Albuquerque campus, Marpe had led the Lobos to consecutive finishes in the AP Top 20 and six AIAW Regional appearances in seven years.

## In the Beginning

Marpe broke into the coaching ranks at Spring Lake (MN) High School in 1971 after earning a Bachelor's degree in Physical Education at the University of Minnesota that same year. Along with heading women's basketball, Marpe served as the head coach for women's volleyball, softball and track. In three basketball seasons, her teams compiled a 53-1 record.

## Involvement

The Minnesota native strongly emphasizes community involvement and has stressed it to every team she has ever coached. Marpe feels that "It is very important to remember who you are and where you come from, and also to give back to the people around you or to those who aren't as fortunate."

Marpe also has served as a voting member of the AP Top 20 Poll, the Kodak All-American selection board and the Western Regional seeding committee. In 1990, she was a member of the gold medal-winning East coaching staff at the U.S. Olympic Festival.

Kathy's family is also involved in the program. Her father, Roland, serves as the team's administrative assistant while her mother, Genevieve, assists in the basketball office.

## The Future

In spite of past success, when talk turns towards the future, a gleam begins to burn in her eyes. "Last year left this team a little hungry," said coach Marpe who is tantalizingly close to her 300<sup>th</sup> career victory.

Two new faces on the Torero sidelines also spark her enthusiasm.

"I'm excited about my two young new assistants (Erik Johnson and Nadine Mastroleo). They bring a lot of enthusiasm and knowledge of the game and the ability to relay that to the players," Marpe said.

Marpe believes the current edition of Torero women's basketball possesses the talent and the hunger to achieve the team goals she has laid out: namely an 18 win season and finishing first or second in the WCC.

"They know what it takes to win. There is still that hunger - last year's success just whetted their appetite."

The same could easily be said about Coach Marpe.

%West Coast Conference Tournament at Santa Clara University

## The West Coast Conference

most stable conference in the nation. Only the Pacific-10 Conference and the Ivy League have remained the same for a longer period.

The conference sponsors thirteen championships for women (basketball, crew, cross country, golf, soccer, tennis, and volleyball) and men (baseball, basketball, cross country, golf, soccer and tennis). Current WCC members have won 14 NCAA team championships. The University of San Francisco has won the most titles (7), followed by Pepperdine (5) and Santa Clara and Gonzaga have one apiece. San Diego owns a pair of Division II men's team tennis crowns ('74 & '75). The league owns six NCAA automatic playoff bids (women's and men's basketball, baseball, women's and men's soccer and volleyball).

### WCC 1998-99 Preview

Women's basketball in the West Coast Conference is steadily rising in quality and competition and this season might signal an explosion for the league.

A league-record three teams posted 20 or more wins last year and a fourth tallied 19. Those same four squads inhabit the top half of the league's coaches poll for the 1998-99 WCC battle.

Defending champion Santa Clara narrowly edged arch-rival Saint Mary's in the balloting, though both garnered three first place votes in the WCC Pre-Season Coaches Poll. SCU lost just two seniors and one other starter from last year's championship squad. SMC returns three starters and ten letterwinners and is looking for its first WCC title since back-to-back wins in 1989 and 1990.

Pepperdine, a 21 game winner last season, brings back four starters, including their top three scorers. Meanwhile, the University of San Diego returns all five starters from a year ago.

The WCC race should be a good one in 1998-99.

### History of Achievement

Since its inception in 1985-86, WCC Women's Basketball has done nothing but prosper. In the last seven years, the league has sent 11 teams to the NAAs and two to the NIT.

The West Coast Conference started in 1952 as the California Basketball Association and was formed by five Bay Area schools (San Francisco, Saint Mary's, Santa Clara, San Jose State, and Pacific). It remained as such for two seasons until expanding down to Southern California to include Loyola Marymount and Pepperdine and changed its name to the West Coast Athletic Conference in 1956. The league shortened its name in 1989 to become known as the West Coast Conference.

The current alliance includes eight private institutions spanning the western coast of the United States from Canada to Mexico (San Diego, Loyola Marymount, Pepperdine, San Francisco, Saint Mary's, Santa Clara, Gonzaga, and Portland). The institutions range from the pine forests of eastern Washington to the beaches of southern California. All have a common mission of combined excellence in academics and athletics that sets the conference apart on the national scene. The current alignment has remained unchanged since 1979, making the West Coast Conference the third

## USD Support Services

**USD Academic Support**

Sara Hickmann enters her second year as Coordinator of Athletic Academic Support at the University of San Diego.

The USD Athletic Academic Support Program is designed to assist and motivate student-athletes in their journey and progress towards their academic goals, and ultimately graduation. The primary objective is to improve the student-athletes' study skills, support them in their academic work, and encourage scholastic achievement. It is essential that student-athletes receive the necessary academic assistance to continue normal progress toward a degree while participating in athletics.

USD student-athletes receive assistance through advising, progress reports, academic tutors, campus learning centers, such as the Logic, Math, and Writing Centers, and the Accelerated Study Program. The Accelerated Study Program provides a monitored, quiet area open only to the student-athletes to ensure quality study time. These services are available to all USD student-athletes.

"Student-athletes face unique challenges and time demands. Our academic support center is designed to be proactive in helping them achieve their goals and maintain a high standard of academic achievement."

- Sara Hickmann,

Coordinator of Athletic Academic Support

**Torero Strength and Conditioning**

The USD strength and conditioning program is under the direction of Steve Brown who is in his fourth year. It has been designed to develop functional strength, speed, power and endurance. The development of these physical attributes is useless to the athletes unless it can be carried onto the playing field. Therefore, adhering to a properly designed program of strength training, conditioning and nutrition can enable our men and women to become the best possible athletes they can be, while simultaneously reducing the incidence of injury.

USD student-athletes receive intensive instruction on proper weight training technique; speed, power and agility development; and sport-specific conditioning. Their strength and conditioning programs are specific to the nature of their sport or position. Each athlete is individually monitored throughout their program to ensure the greatest chance of athletic progress.

Steve was recently named as the 1998 National Strength and Conditioning Association Professional of the Year for the West Coast Conference.

"I look forward to training all USD student-athletes and hope to establish a sense of pride and commitment to the strength and conditioning program. I plan to utilize the latest research in this field to fully cultivate the athletic potential of our athletes."

## The Campus

The USD campus is regarded as one of the most architecturally unique institutions in the country, featuring 18 major buildings designed in an ornamental 16th century Spanish Renaissance style.

Since 1984, USD has completed 11 major construction and expansion projects. A five-story, Spanish Renaissance parking garage (1,100 spaces) was completed in 1998. A landscaped fountain plaza was finished in the fall of 1995, connecting the entrances of the Immaculata and Hughes Administration Center. In 1992, the university completed the 45,000 square foot Loma Hall, which includes an expanded bookstore, a larger mail center, classrooms and laboratories. In 1990, the renovated Katherine M. and George M. Pardee Jr. Legal Research Center opened, a facility that offers the latest in information technology.

## Academics

USD enrolls more than 6,600 students who have a choice of more than 50 undergraduate and graduate degree programs. The university's academic units include the College of Arts and Sciences, and the Schools of Business Administration, Education, Law and Nursing. Class size generally averages between 18-25 students with the student to teacher ratio being 18:1. Over 97 percent of USD's full-time faculty hold doctorates.

In the annual ratings of the country's colleges and universities, published by *U.S. News & World Report*, USD moved from the regional to national category in 1994. The university is ranked among the top 100 schools in the nation.

## DID YOU KNOW

- The University of San Diego was selected by the John Templeton Foundation for its 1997-98 Honor Roll of Character-Building Colleges. The honor roll recognizes 135 four year accredited undergraduate institutions that emphasize character building an integral part of the college experience. Foundation officials made special mention of USD's "Ethics Across the Curriculum," a campus-wide initiative funded with a two-year, \$138,000 grant from the E.L. Wiegand Foundation. USD is one of eight California colleges and universities named to the honor roll.

## The University of San Diego

### Setting

The University of San Diego is an independent Catholic institution of higher education. Founded in 1949, USD is located on 180 acres overlooking Mission Bay, San Diego Harbor and the Pacific Ocean. The campus is named Alcalá Park and is located just 10 minutes from downtown San Diego and the world famous San Diego Zoo. Historic Old Town is just minutes away as well.

The city of San Diego along with this campus traces their origins to fifteenth century Spain. The campus was named after a Spanish village near Madrid - Alcalá de Henares. Founded by the Greeks as Complutum, the village was later renamed Al Kala (the Castle) by the Moslems. Christians recaptured the village centuries later and founded a university, the University of Alcalá, whose buildings became the inspiration for USD's style. Both institutions are located on a hill overlooking a river valley.

### Student Life

Student activities include cultural events, dances, boat cruises, beach parties, BBQ's, concerts, comedy nights, symposia and much more. Students participate in a wide range of volunteer projects such as adult literacy tutoring, senior citizen outreach, and house building in Tijuana. The intramural program is also an integral part of student life on campus with over two-thirds of the USD community partaking in intramural sports.

### Athletics

The University of San Diego is a member of the West Coast Conference for nearly all sports and competes in 16 intercollegiate sports on the NCAA Division I level. Women's sports include: basketball, crew, cross country, soccer, softball, swimming, tennis and volleyball. Men's sports include: baseball, basketball, crew, cross country, golf, football, soccer and tennis. Since 1990 USD teams have won five conference championships; made 19 post-season appearances; had 16 Conference Coaches of the Year; 12 Conference Players of the Year, 10 Conference Freshman of the Year, three WCC Scholar Athletes of the Year and 18 NCAA All-Americans. This past year, Zuzana Lesenarova, a sophomore on the women's tennis team, earned her second-straight NCAA All-American honor after advancing to the semi-finals of the 1998 NCAA Individual Championships -- she finished with a national ranking of ninth.

## USD Director of Athletics

Tom Iannacone is in his eleventh year as Director of Athletics at the University of San Diego. He was named Director of Athletics on September 1, 1988 after holding the same position the previous four years at St. Francis College of Pennsylvania.

At USD, Iannacone directs an Athletic Department that includes 16 NCAA Division I intercollegiate varsity teams, eight men's and eight women's, plus intramurals and recreation.

In the last ten years behind his direction and leadership, Torero Athletics has enjoyed successes both on and off the playing field. His accomplishments at USD include an internal reorganization of the athletic department, plus improvements in the major areas of personnel, scholarship assistance, facilities, promotions and marketing, fund raising, drug education, academic support, and a university approved plan for scholarship support and sports sponsorship. In addition, he was instrumental in USD gaining membership to the Pioneer Football League, which began play in 1993. He is a member of the I-AA Athletic Directors Association Executive Committee; and is past Chairman of the West Coast Conference Athletics Directors Committee.

During Iannacone's tenure, facilities at the USD Sports Center, along with all athletic fields, have seen vast improvements. Improvements at the Sports Center include complete renovations of both the north and south wings that added offices for administrators and coaches; additional locker rooms for women's basketball, volleyball and women's soccer; an athletic department conference room; and an academic support room. Torero Stadium, where football and men's and women's soccer compete, was widened to accommodate soccer, and added a state-of-the-art lighting system and scoreboard. The Softball Complex has benefitted with a scoreboard, new dugouts and batting cages. Additionally, The Canyon Field received lighting for intercollegiate practices and intramural use. Last fall the university began its Capital Campaign for the Jenny Craig Pavilion, a new 5,000 seat multi-purpose facility that will be home for USD basketball and volleyball, and benefit the entire university community.

On the playing fields, USD has sent nineteen teams to NCAA Tournaments since Iannacone's arrival in the Fall of 1988. Additionally, the school has captured six conference championships; twenty NCAA All-Americans; fifteen CoSIDA/GTE Academic All-Americans; sixteen conference Coaches of the Year; ten conference Players of the Year; and three West Coast Conference Scholar-Athletes of the Year. Since '88 the university has been the host site for NCAA Tournament events for women's volleyball, men's soccer and women's tennis.

Prior to USD, Iannacone built an impressive list of credentials at St. Francis College as Director of Athletics between 1984-87. His major contributions included the expansion of sports offerings and scholarships for both men and women, improved budgets, renovation of athletic facilities, the hiring of additional staff, and the establishment of a master plan for the future and continual development of athletics. He served on several committees, most notably the Eastern Collegiate Athletic Conference (ECAC) Infractions committee and the Northeast Conference committee on conference development.

He served as assistant Director of Athletics at Fordham University between 1977-84. Along with his administrative duties, he was assistant football coach for the Rams. Between 1975-78, he acted as offensive coordinator and backfield coach as Fordham captured 19 victories in their final 24 games during this span. The '77 squad was and remains the highest scoring team in Fordham history, averaging 34 points per game. In 1983 he was presented the prestigious Jack Coffey Award by the Alumni Association for his outstanding contributions to Fordham athletics. He also served on various Metro Atlantic Athletic Conference committees.

Prior to Fordham, Iannacone taught physical education and coached track and field, and football in Connecticut Public School Districts from 1964-76. He made his collegiate football coaching debut as an offensive backfield coach at Western Connecticut State University in 1974. A 1964 graduate of the University of Connecticut, Iannacone received his master of science degree in physical education from Southern Connecticut State University in 1973.

Tom and his wife, Cynthia, have three children: Tom Jr., Jennifer and Eric. All three are graduates of the University of San Diego.

## San Diego, California - **AMERICA'S FINEST CITY**

San Diego is truly "America's Finest City." A modern metropolis (second largest in California) and a popular year-round resort, San Diego spreads from the coast to the desert, including cliffs, mesas, hills, canyons and valleys. San Diego also surrounds one of California's greatest natural harbors which has been a dominant factor in determining the city's history, economy and development.

Meteorologists claim San Diego as the country's only area with perfect climate. This ideal year-round environment posts an average daytime temperature of 70 degrees, with an annual rainfall average of less than 10 inches. Most days are sunny, with humidity generally low, even in the summer. The climate, attractive setting and recreational facilities make San Diego "America's Finest City."

According to *Sports Illustrated*, "For sheer numbers of participants, diversity of pursuits of involvement, San Diego must rank as the sports fitness capital of the U.S." Sports are a major feature of the San Diego lifestyle. One can sail, swim, surf, scuba dive, snorkel, wind-surf on 70 miles of public beach or golf at any of the over 80 golf courses throughout the county. Balboa Park, a 1,158-acre recreation and cultural center, offers 25 tennis courts, two gymnasiums, two municipal golf courses, and one of the nation's finest zoos. Mission Bay Park is a 4,600-acre playground for jogging, fishing, bicycling, tennis, golf, jet skiing and kite flying.

**San Diego Padres,**

Champions,  
1998, 1984

**San Diego Chargers**  
AFC Champions, 1994

As well as participating in recreational activities, San Diego supports their professional teams — the NFL Chargers and the National League Padres play at Qualcomm Stadium. During college football bowl week, San Diego annually hosts the Holiday Bowl. During 1998, Qualcomm Stadium hosted the Super Bowl game between Denver and Green Bay, and more recently the 1998 World Series between the San Diego Padres and the New York Yankees. Whatever sporting activity there is, it's here in San Diego — the Sports Capital of the U.S.A.
